ADDRESS:
730 W Woodside Ave,
Mountain House, CA, 95391

SKILL HIGHLIGHTS

- Machine Learning & Gen-AI
- Quantum Computing
- Data Analysis
- Research Methodologies
- Project Management
- Problem-Solving
- Strong Communication
- Leadership
- Teamwork

LANGUAGES

- English, Telugu - fluent
- Python, Java - fluent
- HTML, CSS, JS - fluent
- Swift - basic

HOBBIES

- Writing
- Reading
- Rubik's Cubes
- Coding

EXPERIENCE

AI Researcher | Jun 2023 To Aug 2023

BLAST AI, Remote

- Participated in rigorous two week bootcamp
- Learned about computer vision, NLP, GANs, Classification models, Neural Networks, Reinforcement Learning, Transformers and Embeddings
- Co-authored research paper about reducing bias in Large Language Models
- Developed dataset with minimal bias and effective prompt engineering techniques to produce more neutral answers when fed to LLMs

Student Developer & Researcher | Jul 2024 To Jan 2025

Polygence, Remote

- Built an app that scans household waste products and shows how to properly recycle and upcycle the item

Founder & President | Aug 2023 To Current

CyberPatriot Club, Mountain House High School

- Hold monthly meeting
- Prepare students for CyberPatriot Competition
- Teach cyber security to students
- Organized fundraisers
- Participate in club fairs

Co-Host | July 2023 To Current

NASA Space Apps Challenge Mountain House, Mountain House

- Recruited and prepped team
- Organized and presented information sessions, opening and closing ceremonies
- Raised funds for prizes
- Recruited, coordinate, and managed judges and judging process

Student Researcher | Jan 2024 To Current

Aspiring Student Directed Research Program (ASDRP), Warm Springs

EDUCATION

Mountain House High School | 2022 to Current

Mountain House, CA

San Joaquin Delta College | 2022 to Current

Mountain House, CA

Qubit x Qubit Quantum Computing School | 2023 to 2024

Remote

AWARDS

- UC Davis Teen Biotech Challenge Bronze Winner 2024
- The Congressional Award Bronze Certificate
